

WATERMAN AHW (QLD) FULLY ESTABLISHED IN QUEENSLAND

Since commencement of operations in Queensland in April 2007 from new offices in Brisbane, Waterman AHW (Qld) Pty is established to provide a multi-disciplinary engineering service to the local market. The Brisbane office has successfully developed relationships with significant market players including Developers, Builders, Project Managers and Architects and is continuing the relationship building process throughout the industry.

Ben North, QLD Regional Director, commented:

"I am delighted with the development of the Brisbane office and our inroads into the Queensland market. One year of operation represents an important milestone for this operation and we now look forward to continued growth in the coming months and years. We are working on some of the 'Greenest' and most prestigious commercial developments in Queensland and anticipate further involvement over the coming year"

In celebration of the 1st year of presence in Queensland and achievements to date, Waterman AHW (Qld) held a First Year Anniversary Function at Suncorp Stadium (home of the Brisbane Broncos and The Reds). Guests were informed of the Waterman vision that is upheld and valued. Commitment to quality of service, industry leadership and a strive for technical excellence.

Waterman AHW is part of a multi-disciplined international Consulting Engineering company providing a comprehensive range of services across a wide range of construction related projects. Waterman AHW provides engineering services design for Mechanical, Electrical, Hydraulic, Fire, Structural, Civil and ESD disciplines including, services during construction and post practical completion.
