

Award for Sydney Airport Terminal 2 Upgrade

Sydney Airport recently won two awards at the Property Council of Australia Innovation and Excellence Awards for the upgrade of Terminal 2.

The \$20 million upgrade of Terminal 2 won the “Tourism and Leisure Development” and “Emerging Asset” categories.

Waterman AHW undertook the mechanical, electrical, hydraulics and fire protection designs for the retail and food areas at Terminal 2.

The project focused on enhancing the current retail, and food and beverage concept. Vertical circulation points and passenger flows were re-organised to better integrate with the retail concept.

Waterman AHW Managing Director Ray Abraham commented, “*We are very pleased with the awards won by Sydney Airport and architect Woodhead International*”. “*Waterman AHW worked closely with the project team to assist in the delivery of what is truly a world class outcome*”.

Waterman AHW is a multi-disciplined international Consulting Engineering company providing a comprehensive range of services across a wide range of construction related projects. Waterman AHW provides engineering services design for Mechanical, Electrical, Hydraulic, Fire, Structural, Civil, ESD and Engineering Facilities Management disciplines including, services during construction and post practical completion.
